WRIGHT STATE UNIVERSITY

Wright State University offers many innovative programs in a variety of areas through 100 undergraduate programs and over 40 graduate and professional degree programs.

Our mechanical, materials, electrical, biomedical and computer engineering programs, and the engineering physics program, are accredited by the Accreditation Board for Engineering and Technology (ABET).

Our College of Business and Administration programs are accredited by the American Assembly of Collegiate Schools of Business.

The College of Science and Mathematics offers programs in life, chemical, and environmental sciences, and in medical technol-

Russ Engineering Center

ogy, as well as a Ph.D. in psychology.

Theatre and the arts, along with a strong communication program, highlight the many programs available in the College of Liberal Arts.

The Wright State University-Miami Valley College of Nursing and Health offers both bachelor's and master's programs to prepare students to meet the current and future challenges of the health care field.

Other care-related professions are found in the College of Education and Human Services, where students prepare for teach-

ing and counseling opportunities in the public and private school environment and in the corporate arena of training and development and employee assistance.

WRIGHT STATE UNIVERSITY

THE UNIVERSITY

✓ The Paul Laurence Dunbar Library's Special Collections and Archives houses one of the world's most complete repositories of original documents, memorabilia and personal photographs from the Wright brothers.

✓ The university's Ervin J. Nutter Center, completed in 1990, provides seating for up to 13,000 spectators for events ranging from basketball games and entertainment to conferences and commencements. It is home to the WSU athletics department and sports medicine facilities.

✓ Wright State University offers the nation's longest-running aerospace medicine residency program for civilians.

✓ More than 60,000 students have graduated from Wright State since 1967, with nearly half of them remaining in the greater Dayton area.

✓ Nearly 2,500 of Wright State's students live in university-affiliated residences on or adjacent to the 557-acre main campus.

✓ An extensive underground tunnel system links most WSU main campus buildings, whose modern architecture is nationally recognized for being completely accessible to people with disabilities.

✓ Although most WSU students hold jobs on or off campus, many are involved in one or more of the 100 student clubs and organizations that give vibrancy to campus life.

✓ The university offers 16 Division I intercollegiate athletic programs and many students participate in the intramural sports programs.

RAIDER SOFTBALL

✓ Wright State's 36 wins in 2000 was the most ever in a season for a Raider softball team.

✓ The Raiders have posted winning seasons in three of the last four years after not doing so since 1985.

✓ Twenty-eight all-conference honors have been awarded to Wright State players since 1994 and four players have been named to the MCC's All-Tournament Team. Four of WSU's First Team All-MCC honorees return in 2001, including seniors Michelle Demmitt and Kim Sycks, junior Maria

Barhorst and sophomore Kristin Bultinck, who was also the MCC Newcomer of the Year.

✓ Wright State annually plays a tough schedule as the Raiders have faced such teams as DePaul, Florida State, Georgia Tech, Illinois-Chicago, Indiana, Maryland, Michigan, Michigan State, Minnesota, Northern Illinois, Notre Dame, Northwestern, Ohio State, Penn State, Princeton, Purdue, South Carolina, Tennessee, Utah and Virginia over the years.

COACHING STAFF

Sheila Nahrgang

Head Coach

Ninth Year

The Wright State softball program continues to grow under ninth-year head coach Sheila Nahrgang.

WSU posted its most wins ever in a season in 2000 and recorded its highest conference finish ever as the Raiders placed second in the Midwestern Collegiate

Conference with a 9-3 record during the regular season and came in third in the conference tournament. The 2000 squad also made school history as five players were named First Team All-MCC and pitcher Kristin Bultinck was chosen as the conference's Newcomer of the Year. Nahrgang was also part of the list of honorees as she was selected as the MCC Coach of the Year.

Last season comes on the heels of three milestone campaigns before that. The Raiders tallied over 30 wins for the first time ever in 1999, finished third in the Midwestern Collegiate Conference in 1998 and compiled a winning season for the first time in 12 years in 1997.

Prior to coming to WSU, Nahrgang played for two seasons at Creighton University with both of those teams finishing runner-up in the NCAA regionals. She also played one season at the University of Nebraska-Omaha and coached an 18 and under fastpitch "Elite" team in Omaha for one year.

A native of East Moline, Illinois, and a graduate of United Township High School, Nahrgang played on three Illinois high school championship teams and was a four-year letterwinner in softball and a three-year letterwinner in volleyball. She graduated with a bachelor's degree in business from Wilberforce University in 1994.

Nicole Plugger

Assistant Coach

Third Year

Nicole Plugger returns for her third season on the Wright State coaching staff after spending six seasons as part of the University of Toledo's softball program.

A four-year letterwinner for Toledo from 1993-96, Plugger was a three-year starter at shortstop for the

Rockets and ranks among the school leaders in several categories. She is second in school history in home runs with eight and fifth in doubles with 29. She is also fifth all-time in fielding assists with 430 and is in the Top 15 in games played (200), at bats (557), triples (5) and runs batted in (56).

Plugger was part of the Toledo coaching staff for two seasons, serving as an assistant in 1998 after being a graduate assistant in 1997.

A native of Grand Rapids, Michigan, Plugger earned four letters in softball and swimming and two in volleyball at Northview High School. She earned a bachelor of arts degree in commercial recreation from Toledo in 1997.

Wright State University

In the tradition of the nation's best universities, Wright State University is dedicated to teaching, research, and service. In addition, Wright State has the distinct mission of providing leadership to improve the quality of life for the people of the Miami Valley. Wright State is an affordable, comprehensive, state university with a diverse range of high-quality academic programs and strong links to Miami Valley schools and business, government, and community organizations.

The university serves over 15,000 students with programs leading to more than 100 undergraduate and 46 doctoral, graduate and professional degrees through six colleges and three schools. Wright State offers innovative educational programs, including doctoral programs in biomedical sciences, human factors and industrial/organizational psychology, medicine, and professional psychology; the longest-running aerospace medicine residency program for civilians in the nation; and a post-master's educational specialist degree program. Wright State's theatre, accounting, chemistry, geology, and engineering programs are recognized for excellence. The WSU Lake Campus near St. Marys and Celina, Ohio, offers associate and pre-baccalaureate degrees.

Wright State University's faculty is dedicated not only to advancing the frontiers of knowledge but also to applying knowledge to real problems. Most classes are small and taught by fully affiliated faculty members, 80 percent of whom hold the most advanced degrees in their fields. In addition, students gain hands-on experience through a variety of community-based programs, cooperative education, internships, and research projects operated with industry and government.

Over 2,000 of Wright State's students live in university-affiliated residences on or adjacent to the 557-acre main campus. An extensive underground tunnel system links most campus buildings, whose modern architecture is nationally recognized for being completely accessible to people with disabilities. Although most students hold jobs on or off campus, many are involved in one or more of the 150 student clubs and organizations that give vibrancy to campus life.

The university offers 14 Division I intercollegiate athletic programs, and many students participate in intramural sports programs. The Ervin J. Nutter Center, a state-of-the-art sports and entertainment complex, and other recreational facilities are available to students on a daily basis. Besides intercollegiate athletic events, the Nutter Center hosts convocation, concerts, and other cultural and entertainment events, seating up to 12,000.
